

SALES KIT

Systemech now offers a compact Sales Kit. A slim, lightweight black folder that encases 6 signs, complete with various anodized finishes as well as paint and graphics.

A selection of brochures are also included inside the front cover. A perfect way to present to customers at sales meetings. To order the Systemech Sales Kit, please fax or email a Purchase Order.

Sales Kit Consists of 6 Samples described below:

- 6 3/16" x 4 15/16" AM Series sign with a painted header panel 2 7/16" High, plus 3 inserts in New York Finish each at 13/16" High and secured with 1/2" radius Sidelocks. Copy is included.
- 4 1/8" x 4 1/8" AM Series sign with a header insert at 1 5/8" High plus 3 X 13/16" inserts. They include a 1.1 slider insert (13/16" high with lexan and another slider insert with an aluminum slider plate for in use / vacant signs.) Copy is included.
- 4 1/8" x 4 15/16" AM Series sign with a painted header insert at 3 1/4" High and a 13/16" High (1.1 slider insert) with clear lexan cover and a 13/16" Paper Hanger attached to the bottom Insert. Copy is included.
- 4 1/8" x 4 1/8" AM Series sign with a header insert at 1 5/8" High with ADA. The middle insert is 13/16" High and a footer at 1 5/8" High. The footer is a 2.1 slider insert with lexan. It is secured with 1/4" square cut side locks. This sample includes the Tamper Proof locking option most suited to exterior use and vandal prone areas. Copy is included.
- 4 1/8" x 4 1/8" sign, with an AM Series header at 1 5/8" High and a Modular Window Sign footer at 2 7/16" (the Modular Window Sign accepts paper inserts for easy changeover with the use of flexible Endcaps). Standard Sidelocks on the AM Series header section. Copy is included.
- 4 1/8" x 5 3/4" AM Series sign, with a single panel insert in a satin natural anodized aluminum finish. The Panel Insert is secured with standard Sidelocks. The aluminum plate is mounted to laminating inserts. This method allows insert sizes to be higher than 4 15/16" in order to accommodate larger panels. Copy is included.
