

# CUBICLE SIGN SERIES

## LETTER & LEDGER SIZE CUBICLE SIGNS

### HOW TO OPERATE

Simply insert your printed paper sheet in behind the clear cover.

Use the sign for cubicles, wall mount or any other application that requires in house copy and graphics to be undatable.

### PRINT YOUR OWN COPY

These sign types are all designed to accept paper inserts. Print your own copy and graphics, then insert the paper in behind the clear cover.

### SIZES

- 8 1/2" W x 11" H - Letter Size Portrait
- 11" W x 8 1/2" H - Letter Size Landscape
- 11" W x 17" H - Ledger Size Portrait
- 17" W x 11" H - Ledger Size Landscape

Other sizes available on request.

Please specify which type of workstation bracket you require.

### USE AS A DRY ERASE BOARD

This sign type can also be used as a Dry Erase Board either with or without paper. Simply write on the clear cover with a DEB marker.

Combine your branding and staff identification with the practicality of a DEB.
